Spectacular Investment In Whitsundays

Most accountants will tell you to invest in property right now. It has never been a better time than now to make that investment – low interest rates and low prices that will not last. This blue chip investment ticks all the boxes – spectacular sea views, great returns, lots of facilities in the complex – gymnasium, pools, secure parking etc. This fully appointed apartment has it all and is only a short walk to the main street lined with restaurants, bars and shops and of course the beach itself. The management team will provide everything for you and the income will flow in. Take a holiday in your own apartment for free or when friends come they can stay as well. How to impress – "just come and stay in my apartment in the Whitsundays". They will be amazed that you own such a beautiful place and you will be amazed at your returns. This apartment is priced to sell, so don't procrastinate or it will disappear. **\$429,990**
