## Fantastic Beachfront Development Opportunity

### Sinclair Bay, Whitsundays

#### Overview of the property

Look at this opportunity to create a full development in one of the most exciting areas of Queensland. The location, the land, the beach and the opportunity are all perfect for a big development, a wealthy personal retreat, or a luxury resort.

The options are many depending on your own interests, even landbanking would be a smart move.

Make the effort to come and see this beautiful place, the visit itself will be worthwhile. You can then work out your best development proposal.
